## Profile

Deckhand and tender driver who has crewed eight vessels — from private superyachts to commercial ships — specializing in tender operations and guest transfers. Pairs a high-end hospitality background with hands-on seamanship: docking, line handling, teak and stainless restoration, and full deck upkeep to superyacht standards. Multilingual (English, French, Spanish, Portuguese), US work-ready with a B1/B2 visa valid to 2034 and a current ENG1 medical.

---

## Sea Service Experience

### M/Y Koju

*Deckhand / Exterior Maintenance*

*Apr 2026 – May 2026*

- Restored stainless steel and exterior finishes to a mirror shine through professional polishing and surface work
- Brought teak back to superyacht standard with full cleaning, sanding and restoration
- Maintained show-ready condition across all exterior areas, owning washdowns, detailing and routine upkeep

### M/Y Maje

*Mate / Deckhand*

Fort Lauderdale, FL

*Jan 2026 – Apr 2026*

- Kept fiberglass and metal surfaces in pristine condition through routine washing and polishing
- Delivered high-yacht-standard exterior detailing with rotary polishing machines and marine-grade products (3M, Flitz)
- Supported safe docking and undocking, working seamlessly with captain and crew under pressure

### M/Y Epic & M/Y Intrepid

*Deckhand*

Fort Lauderdale, FL

*Feb 2026*

- Covered exterior, interior and bilge upkeep across two vessels, keeping every space clean and organized
- Polished stainless steel and metal surfaces to high yacht standards
- Held both vessels to a guest-ready standard of cleanliness and presentation

### LPG/C Atlantic Victory

*Junior Officer*

Worldwide

*Feb 2025 – Dec 2025*

- Executed safe mooring and unmooring on every port arrival and departure across a worldwide trading route
- Stood bridge watch and lookout duties, supporting safe navigation on transoceanic voyages
- Preserved the hull against the open ocean through washing, painting and rust treatment

### M/V Mexican Giant

*Sole Deck*

Cabotage, Mexico

*Jun 2024 – Nov 2024*

- Ran deck single-handed, keeping operations safe and efficient through disciplined routine maintenance
- Coordinated and assisted commercial divers during offshore diving operations
- Worked deck safely alongside offshore platforms in full compliance with safety procedures

### M/T Alejandro

*Able Seaman*

*Aug 2023 – Mar 2024*

- Handled anchoring operations and core seamanship tasks to SOLAS and ISM safety standards
- Stayed drill-ready on emergency procedures and onboard safety protocols
- Kept deck areas and equipment service-ready — earned a written reference from the master as a reliable sailor

### M/T Kefalonia

*Able Seaman*

*Mar 2016 – Feb 2017*

- Executed mooring and unmooring on every port arrival and departure
- Stood bridge watch and monitored vessel traffic to keep navigation safe
- Maintained the deck and kept safety equipment and PPE in service-ready condition

**M/T Paterna***Able Seaman**May 2011 – Nov 2011*

- Protected the hull on long passages through washing, painting, rust treatment and preservation
- Held high safety and operational standards across transoceanic voyages
