PROFILE

Experienced deckhand with a background in private and commercial yacht operations, specializing in tender handling, exterior maintenance, and general deck duties. Strong foundation in high-end hospitality combined with practical maritime skills, including safety procedures, line handling, and guest support. Reliable, disciplined, and detail-oriented, performing effectively under pressure in fast-paced environments. Multilingual and proactive, bringing professionalism, discretion, and a strong focus on safety and service excellence. Seeking to join a professional yacht crew where I can contribute immediately and continue developing within the industry.
