Merchant Marine Training — Peru

Continental Aquatic Training & Development Center
Aquatic & Diving Training

PROFILE

Experienced deckhand and tender driver with a background in private and commercial yacht operations, specializing in tender handling, guest transfers, and exterior maintenance to superyacht standards. A high-end hospitality background paired with hands-on seamanship — docking, line handling, teak and stainless restoration, and full deck upkeep. Multilingual (EN/FR/ES/PT), US work-ready with a B1/B2 visa to 2034 and a current ENG1 medical. Reliable, disciplined, and effective under pressure — ready to step aboard and contribute from day one.

SEA SERVICE & EXPERIENCE

M/Y Koji Apr – May 2026
Deckhand / Exterior Maintenance · Fort Lauderdale

- Restored stainless steel and exterior finishes to a mirror shine through professional polishing and surface work.
- Brought teak back to superyacht standard with full cleaning, sanding and restoration.
- Kept the vessel show-ready — owning washdowns, detailing and routine upkeep across all exterior areas.

M/Y Maje Jan – Apr 2026
Mate / Deckhand · Fort Lauderdale

- Kept fiberglass and metal surfaces pristine through routine washing and polishing.
- Delivered high-yacht-standard exterior detailing with rotary polishing machines and marine-grade products (3M, Flitz).
- Supported safe docking and undocking, working seamlessly with the captain and crew under pressure.

M/Y Epic & M/Y Intrepid Feb 2026
Deckhand · Fort Lauderdale

- Covered exterior, interior and bilge upkeep across two vessels, keeping every space clean and organized.
- Polished stainless steel and metal surfaces to high yacht standards.
- Held the vessels to a guest-ready standard of cleanliness and presentation.

LPG/C Atlantic Victory Feb – Dec 2025
Junior Officer · Worldwide

- Executed safe mooring and unmooring on every port arrival and departure across a worldwide trading route.
- Stood bridge watch and lookout duties, supporting safe navigation on transoceanic voyages.
- Preserved the hull against the open ocean — washing, painting and rust treatment to protect the asset.

M/V Mexican Giant Jun – Nov 2024
Sole Deck · Cabotage Mexico

- Ran deck single-handed, keeping operations safe and efficient through disciplined routine maintenance.
- Coordinated and assisted commercial divers during offshore diving operations.
- Worked deck safely alongside offshore platforms in full compliance with safety procedures.

M/T Alejandro Aug 2023 – Mar 2024
Able Seaman

- Handled anchoring operations and core seamanship tasks to SOLAS and ISM safety standards.
- Stayed drill-ready on emergency procedures and onboard safety protocols.
- Earned a written reference from the master as a reliable, high-performing sailor.

M/T Kefalonia Mar 2016 – Feb 2017
Able Seaman

- Executed mooring and unmooring on every port arrival and departure; stood bridge watch and monitored vessel traffic.
- Maintained the deck and kept safety equipment and PPE in service-ready condition.

M/T Paterna May – Nov 2011
Able Seaman

- Protected the hull on long passages through washing, painting, rust treatment and preservation.
- Held high safety and operational standards across transoceanic voyages.
